MDF WAVE BOARD & GRILLS

LAXMI decorative wave board & grill wall panel is a king of innovative wood wall panel which is mainly made of wood fibre of medium density (MDF). It is processed to be a fashionable decoration material with elegant and strong 3D effect. They are characterized to be top quality, fashionable, new-looking, enviromentfriendly and easy installation, thus they are widely decorated in family, office and various kinds of projects.

In addition to our wide range of designs, we’ll be introducing fresh, new designs regularly. If however, you have your own concepts or ideas for wall panel designs please contact us as we also offer a custom made service. Just forward drawings or sketches with dimensions.

LAXMI MDF WAVE BOARDS can also be used for ceiling, partitions, paneling and several other applications or areas that need to be highlighted.

Today interior designers and architects look for new and innovative products to offer their creative best. These LAXMI MDF WAVES BOARDS are beautiful, yet tough and user-friendly.

These Boards are perfect for transforming homes, offices, showrooms, hotels....any surface that need a quick, no-fuss facelift.
